A Community of Leaders and Learners

An individual interview for each child should be held to assess the child's age appropriate:

- Self-help skills
- Fine motor skills
- Physical development
- Social- emotional area:  
able to follow an adult's directions,  
play cooperatively with other children.
- Language development:  
ability to speak, listen and understand.

Note: All children should be potty trained (able to use the toilet alone).
